VANCOUVER (September 7, 2006) – Further to the Company’s news release dated August 28, 2006, Mr. David Patterson, Chairman of Donner Metals Ltd. (TSXV-DON), announces that the pricing and over-allotment of the previously announced brokered and non-brokered private placements in the amount of \$8,000,000 (the “Financing”) have been amended.

The funds will be raised by the Company issuing a combination of flow-through units and non flow-through units. The flow-through units will be priced at \$0.46 per unit (amended from \$0.50 per unit) and the non flow-through units will be priced at \$0.40 per unit. Each flow-through unit will be comprised of one flow-through common share and one-half of one common share purchase warrant. Each whole share purchase warrant entitles the holder to acquire one additional non flow-through common share of the company for a period of two years, at a price of \$0.75 per share. Each non flow-through unit will be comprised of one common share and one common share purchase warrant, entitling the holder to purchase one additional common share of the Company for a period of two years, at a price of \$0.55 per share.

The brokered private placement will be co-led by Canaccord Adams and Desjardins Securities.

The Financing will be subject to an over-allotment option in the amount of \$3,000,000 (amended from \$2,000,000).

The Company has agreed to pay commissions and finder’s fees in connection with the Financing.

The funds raised by way of the private placements will be used for exploration programs on the Company’s Matagami Project, located in Quebec and for general working capital.

The Financing is subject to TSX Venture Exchange approval.

ON BEHALF OF THE BOARD OF
DONNER METALS LTD.

“David Patterson”
Chairman
